**My  
TechBee  
Journey**

## Proud TechBee | Nearly 5 Years of Growth

**“**

From an early career start to Lead Engineer at HCLTech, my TechBee journey has been all about learning, real-world experience, and continuous upskilling.

- Worked on 4 major real-time projects
- Expertise in Manual Testing & Automation QA
- Skilled in Cypress Automation, Gen AI-driven testing & Agile
- Actively upskilling in AI & Generative AI
- TechBee didn't just launch my career-it made me future-ready.”
